Hotels in Europe

We have taken utmost care to select the locations of hotels, keeping in mind your comfort and the fact that you will be out sightseeing most of the time. Depending on

center or away from the city center or in the surrounding areas. Due to favourable weather conditions, most hotels do not have air conditioners or fans. All other modern amenities, such as attached toilets with showers / bath tubs, hot and cold running water and telephone facility are provided in each room. All hotel rooms are twin bedded and in keeping with European standards, are comparatively small. We recommend a maximum of three people in a room. For the third adult person, the bed is a rollaway cot, put in a twin room for the night.
